**AMENDMENT AFTER FINAL REJECTION**

Dear Sir:

In response to the Office action mailed August 18, 1995, please amend the above-identified application as follows:

**IN THE SPECIFICATION**

Page 10, after line 19, after the period (.) insert:  
--If a high strength cut-resistant synthetic fiber is desired in the yarn along with a normal strength liquid crystal polymer fiber, e.g., to impart a characteristic not common to the normal strength liquid crystal polymer, one of the wrappings, e.g., 14 or 16, can be selected from, e.g., high strength aramid such as Kevlar 29, high strength stretched polyethylene such as Spectra, and high strength liquid crystal polymer such as Vectran HS.--

I hereby certify that this paper is being deposited with the  
U. S. Postal Service as 1st Class Mail addressed to the  
Assistant Commissioner for Patents, Washington, D.C. 20231

on January 18, 1996
